Hello Friends and Neighbors!

We hope you will consider a charitable tax-deductible gift to the Blissfield Pool Project this giving season!

Our new community pool will truly be a wonderful addition to our community with many exciting new features including zoned areas for water aerobics, zero entry, a diving board, splash features, and even a slide.

There are a few additional items that the community has expressed interest in enhancing the pool by including a double helix slide—these are very popular in other communities, a climbing wall, upgrades to the deck furniture, and a covered outdoor community space for family, community, sport team, and other gatherings. All of these items will add much value to our community's investment and will attract a wider variety of patrons.

The goal of the fundraising committee is to raise \$250,000. Although we would like to raise as much as we can today before the pool is constructed we are hoping this fundraising effort will be around for years to come and continue to grow the pool and its patronage. Any additional funds raised beyond these items will go toward the sustainment of the pool ensuring it will be around for generations to come.

In order to make your contribution, please make checks payable to The Village of Blissfield, memo: Pool Enhancement. *Village of Blissfield*, 130 S Lane Street Blissfield, MI 49228 or visit the village website at: www.blissfieldmichigan.gov.

Donors who contribute \$50 or more will be listed in the Advance (unless they ask to remain anonymous). If you wish to put your donation toward an engraved brick for the walkway leading to the pool entrance, please send the attached form in with your check. Prices are listed on the form.

Thank you so much for your time!

Sincerely,

Friends of the Pool
