2018 Village Tennis Courts Resurfacing Project

Request for Quotes

March 12, 2018

The Village of Blissfield is now accepting quotes for the repair and resurfacing of the Village's 4-court tennis court facility, located adjacent to Blissfield Middle School. The following are the specifications for the project (specific estimated dimensions are included on the attached quote form):

Alternative 1 - Tennis Court Repair and Resurfacing (Standard crack repair system)

1. Clean courts thoroughly to remove all dirt, algae, debris, etc. so repairs and resurfacing will bond better and last longer.
2. Install standard crack repair system. (Approximately 800' of crack to repair.)
3. Numerous water holes/bird baths are showing. Level bird baths to match existing asphalt.
4. Repair all cracked areas at fence posts on the inside of the courts. (Approximately 65 posts.)
5. Install the SportMaster (or equivalent) 3-coat color coating system to all four courts. Install one 100% fortified acrylic resurfacer coat to entire area. Also, apply two fortified acrylic color coatings to entire area. The Village will provide color choices. (Approximately 2,720 sq. yards to resurface.)
6. Restripe four tennis courts according to the USTA specification using a textured white line paint.

Alternative 2 - Tennis Court Repair and Resurfacing (Armor Crack Repair System)

1. Clean courts thoroughly to remove all dirt, algae, debris, etc. so repairs and resurfacing will bond better and last longer.
2. Install standard crack repair system. (Approximately 800' of crack to repair.)
3. Install the Armor Crack Repair System (or equivalent) to all new cracks, as well as around all damaged net posts. (Approximately 800' of crack to repair.)
4. Numerous water holes/bird baths are showing. Level bird baths to match existing asphalt.
5. Repair all cracked areas at fence posts on the inside of the courts. (Approximately 65 posts.)

6. Install the SportMaster (or equivalent) 3-coat color coating system to all four courts. Install one 100% fortified acrylic resurfacer coat to entire area. Also, apply two fortified acrylic color coatings to entire area. The Village will provide color choices. (Approximately 2,720 sq. yards to resurface.)
7. Restripe four tennis courts according to the USTA specification using a textured white line paint.

General (applies to both alternatives)

1. The contractor shall provide all labor, equipment, and materials to complete the work associated with this project.
2. The contractor shall be responsible for clean-up of all work areas upon completion of the project.
3. The contractor shall be responsible for any necessary traffic control and direction at all times during the project.
4. The costs for #'s 1 through 3 shall be included in the cost for the street on the quote form.
5. This is not a prevailing wage project.
6. The contractor should confirm measurements by contacting Brent Kastel (Village DPW Supervisor) at (517) 202-6377 or publicworks@blissfieldmichigan.gov.
7. The timetable for the project is as follows:

- | | |
|---|---|
| a. Request for Quotes sent: | March 12, 2018 |
| b. Quotes due to Village: | 4:30pm, Wednesday, April 4, 2018 |
| c. Potential award of project: | April 9, 2018 |
| d. Project to be completed no later than: | July 31, 2018 |

Interested contractors are asked to submit their quote on the enclosed quote form, along with:

1. Proof of adequate property damage, liability, and workers compensation insurance,
2. Information demonstrating the equivalency of proposed methods to Armor Crack Repair and/or SportMaster color coating systems.
3. References for at least three (3) recent tennis court resurfacing projects.

...to James Wonacott, Blissfield Village Office, 130 S. Lane St., PO Box 129, Blissfield, MI 49228, according to the above timetable. Any questions regarding this Request for Quotes should be directed to Mr. Kastel. The Village reserves the right to award this project in whole or in part, and may reject the quote if deemed necessary or appropriate.
