

**New Village Fee Structure  
Effective October 1, 2008**

After a review of the fees the Village charges for various services, the Village Council has approved the following fee structure. These fees cover such services as water and sewer taps, Freedom-of-Information-Act requests, zoning applications, building permits, fingerprinting and PBT's, and other such services. The Village charges these fees to recover the costs of the providing the services. The fee schedule is:
