

Wolverine Youth Football League

Purpose: This league and each individual program are to strive to **teach** the game of football to the children. If our kids aren't learning and having fun, we aren't doing our job as the leaders of this program. We all know football is a rough and physical sport that takes a lot of hard work, but we must keep in mind that these are just 9-12 year old kids that we are trying to help. Winning and losing is a small priority. They will have many years ahead of them to worry about wins and losses. If we prepare them the proper way, there will be no losers.

Organization: Each team shall have 2 voting representatives at all league meetings. Those reps shall have a vote on all matters of league operations. In the event of a tie vote, the commissioner will cast the tie breaking vote.

In the event of a grievance, the commissioner must be notified by the parties involved within 24 hours. Upon full investigation of the incident the commissioner will either render a decision or call a meeting of the coach's board to present the problem and seek a fair settlement.

At the end of the season the coach's board will meet to review the rules and make policy changes. The commissioner shall report a state of the league review. Any change in league officers will be made at this meeting.
