

CLASS DESCRIPTIONS

AQUA MINNOWS

Parent and child become accustomed to being in the water and learn basic skills. An adult MUST participate with each child. If the child is not potty trained, they must wear swimmers' diapers. Fee covers both child and parent.

SWORDFISH

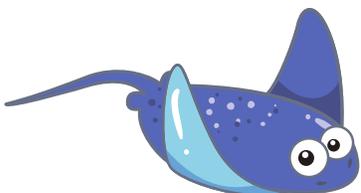

Teaches swimmers the basics of swimming and swimming strokes. Transitions from shallow water to deeper water, while spending a majority of the time in shallow water.

OTTERS

Otters start to learn how to swim longer distances with extra time in deeper water. Swimmers in this class should have completed the swordfish level or be able to swim unassisted.

SKILLS & CONDITIONING

Skills & Conditioning will refine strokes and water skills. This class is geared towards swimmers who can swim unassisted and are wanting to improve and/or be active.
