Village Plants trees with Consumers Energy Grant

BLISSFIELD, MICHIGAN, November 10, 2023--- You may have noticed trees planted up all over Blissfield this last week. The Village of Blissfield has been awarded a \$2,600 grant as part of the Consumers Energy Community Street and Boulevard Tree Planting Grant Program. This funding was used in addition to Village Urban Forestry funds to plant 13 new trees in our neighborhoods. Trees were planted on Cherry, Russell, Union, High, S. Lane, Jefferson, Jipson and others with either an oak or red bud. We plant smaller trees like the red bud under utility lines to prevent entanglement and the larger trees like the oaks in areas where there are no lines. The Village worked with Natural Lawn Care.

Thank you, Consumers Energy, for your support of our tree-planting within the Village of Blissfield.
