- Committee of the Whole Monday May 18, 2026 at 6pm
- Council Meeting **Tuesday** May 26, 2026 at 6pm

Big News: Take Control of Your Water Usage!

We are thrilled to announce that the **Village Utility Billing Customer Portal** officially goes **LIVE** on **Monday May 4th!**

Managing your household's water consumption has never been easier. This new digital tool is designed to put the power back in your hands, giving you real-time insights and more control over your monthly utility costs.

Why Sign Up?

- Track Your Usage: View detailed charts of your daily and monthly water consumption.
- Leak Alerts: Helping you catch leaks before they impact your bill.

How to Get Started

To ensure the highest level of security for your data, the portal uses a unique **Account Number** rather than your standard utility account number.

Follow these steps to register:

- 1. Contact the Village Office:** Give us a call or stop by to receive your specific registration account number.
- 2. Visit the Portal:** Head to our website and click the "Utility Portal" link or click the link below.
- 3. Create Your Account:** Use your unique account number to link your household and start monitoring your usage!

Note on Privacy: Please keep in mind that your standard utility account number will not work for registration. We have implemented this separate ID system as an extra layer of privacy protection for our residents.

Ready to dive in? Contact the Village Office today to get your code!

*Community Coffee
Hour*

Where: Starling Lounge
133 S. Lane St. Blissfield, MI 49228

When: 9am
Every third Tuesday of the month

Why: This monthly get together is your chance to connect directly with the Village Administrator in a relaxed, welcoming setting. Ask questions, and share ideas - all over a cup of coffee. It is an easy way to stay informed and have your voice heard.

Household Hazardous Waste Event Scheduled for May 10

Mark Saturday, May 10 on your calendar! Anderson Development, in partnership with Wacker Chemical, will be hosting the annual household hazardous waste from 8 a.m.-noon that day in Adrian at 1415 E Michigan St.

This event free of charge all Lenawee County residents, and proof of residency may be required. This event is not for commercial businesses, and the max amount a resident can bring is 10 gallons. No container should be larger than five gallons, and do not mix chemicals – it is not safe to do so!

The first 100 vehicles to drop of household hazardous waste will receive a coupon for one free flower hanging basket, which can be obtained at the Stubnitz Environmental.

Accepted materials include:

- **PAINT:** Oil based paint, cleaners, and thinners. Includes aerosols, adhesives, roof tar, and driveway sealers.
- **HOUSEHOLD CLEANERS:** Acid and caustic products.
- **BATTERIES:** All household batteries, lead acid automotive batteries.
- **AUTOMOTIVE FLUIDS:** Motor oil, antifreeze, brake fluid, grease, fuels.
- **HERBICIDES/PESTICIDES:** Liquids, solids, and aerosols in residential sizes.
- **MERCURY:** Thermometers, thermostats, fluorescent bulbs & tubes, and elemental mercury.
- **MISCELLANEOUS ITEMS:** Nail polish, glue/waxes, lighter fluid, 16 oz. propane gas tanks

Not accepted materials include:

- Explosives
- Ammunition
- Other gas cylinders
- Radioactive wastes (e.g., smoke/CO2 detectors)
- Ballasts
- AC units
- Pharmaceuticals
- Tires (stay tuned for information on Lenawee County's tire collection event)
- Electronics (take these to Goodwill Headquarters on Division Street instead)
- Any unknown material

If you need more information on what can be dropped off at the event, you can contact Anderson Development (prior to May 10) at 517-438-5332.

Along with the hazardous waste collection, Anderson and Wacker will host special activities that same morning out at Stubnitz Environmental Education Center, 3241 N Adrian Highway, Adrian. There will be nature hikes, composting and recycling information, animal magic and more!
